TO: Keala Chock, Vice Chancellor for Academic Affairs

FROM: Kami Kato, Interim Dean of Student Services *KK*

SUBJECT: 2022-2023 Catalog Addendum

This memo seeks to correct an error in Leeward CC's 2022-2023 Catalog.

The following statement was inadvertently omitted from the About the Catalog section (page 5) of the catalog:

A Note on Catalog Rights

Students have the right to follow the degree and certificate requirements that were in effect at the time of their original enrollment or any year thereafter, provided that they maintain continuous enrollment.

I am asking that this now be inserted in the 2022-2023 Catalog as an addendum.

Approved/~~Disapproved~~

A handwritten signature in black ink, appearing to read "Keala Chock".
